FAUCETS | SHOWERS | ACCESSORIES

COMPANY PROFILE

Established in the year 2017. We METALINK INDUSTRIES is leading manufactures and suppliers of CP Bathroom Fittings under the brand name AQWAL. Our State-of-the-art integrated production facilities located in India's Ceramic City Morbi, Gujarat are well supported by a professional designing tem with professional employee.

"We Believes in Producing Superior Quality Bath Fittings"

AQWAL is committed to excellent quality, design and innovation. For that we applied modern technology and skilled manpower to produce and excellent product. we believe that quality is a paramount in order to create value and achieve customer satisfaction. Our State integrated manufacturing facilities, integrated with highly advanced technology for making world class products.

Ceramic cartridges

Aqwai uses world class quality ceramic cartridge, which is with quality guarantee through 100% water tightness tested under water pressure the rigidity of the cartridge is high, even under using condition with unstable water pressure, performing life 500000(5 Lakh) operating times for Higher Longevity.

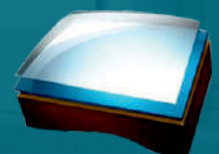

Soft flow Aerator

Aerator Integrated with honeycomb structure give protection from lime buildup and provide soft water flow. We use NEOPERL aerator in our faucet, which is made from Germany.

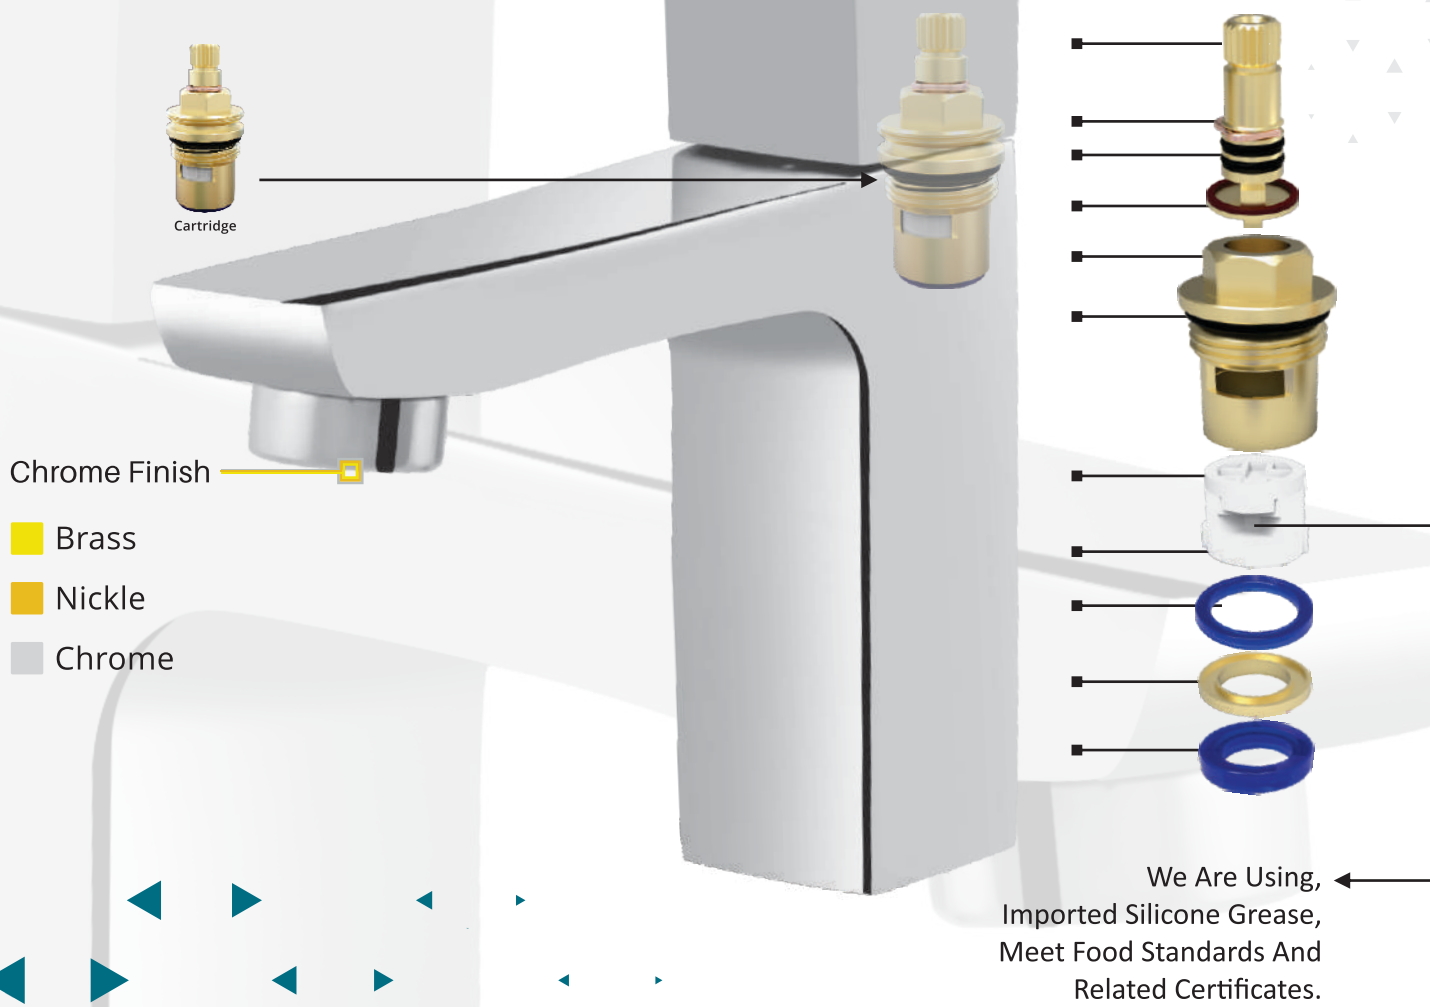

Premium Finsh

Upper shiny protection layer provides a mirror finish to every faucet High plating thickness (nickel 12 to 14 microns and chrome 0.3 to 0.5 microns) provide tolerance to extreme climate and water conditions. Salt spray and corrosion resistant

FAUCET TECHNOLOGY

Water Saving Technology

the water saving technology means that many ALIXIR proucts will help you to save both water & energy, and reduce Co2 output.
